Dear Sir ,

As far as I can remember, my mother has always emphasized giving back to the community, regardless of the situation prevailing. It is in times like these, that her lessons come in handy. The blood donation camp was organised with so much vigour and determination. This was just to ensure we do our part to give back to society as much as we can.

Covid-19 has suddenly become our new reality and it is brought quite a bit of uncertainty. I didn't anticipate getting this kind of support. The constant support of your organisation led this camp to such a great success. I would personally like to extend our thanks and deepest gratitude to your organisation for the constant help and enthusiasm.

It has also given me confidence that in future we as a team would be able to take up more similar challenging project. By joining hands, we were able to have around 157 donors and I hope our donation finds its way to help people across Nagpur.

Once again, thank you.

Subject: Appreciation letter for participation in wildlife conservation programmes.

Respected sir

I am writing this letter, on behalf of Satpuda Foundation, to acknowledge the participation of the Political Science department of Shri Binzani City College, Nagpur in wildlife conservation programmes in association with our organisation.

It is noteworthy that the department has signed a memorandum of understanding with our organisation to organise various activities such as educational tours, workshops and hands on field training for the students so as to provide them with the necessary exposure towards the pressing wildlife conservation issues of our times and to encourage and facilitate them to come forward with probable solutions.

I wish to thank and appreciate the college administration, staff members of the Political Science department and all the students that have participated and since then are taking efforts for wildlife conservation initiatives and hope to continue the active participation in the future.

Thank you!

To,

The Principal

Shri Binzani City College, Nagpur.

Seva Sarvada Multipurpose Organization has been working tirelessly for the last sixteen years to improve the quality of out-of-school and school-going students of Rahate Toli in Shatabdi Chowk. Completing the school curriculum, imparting skill based education, cleanliness, de-addiction, environment awareness among the students is doing a lot of work. Since 2012 sensitive students for this work have been available from Post Graduate Department of Political Science in Shri Binzani Nagar College. Students of political science who are studying at postgraduate level have personally come forward and supported this work. It is only through their support that Seva Sarvada multi-purpose organization has been able to work in other settlements with the same condition as Rahte Toli. Tuition classes for children were started at Gond vasti near Siddheshwar Nagar in Nagpur. Similarly, Shri Binzani Nagar College accommodated the students who came from this settlement and arranged for their higher education.

The political science department of the college has always provided all kinds of support and assistance in this regard, which has made it possible to bring the students into the stream. Hence Seva always wishes the institution towards the college. Thanks and indebted to them. Due to the cooperation of the college, it is possible to carry forward the work of the institution as sensitive students are getting to work in different localities and therefore, while expressing gratitude to the college, I am grateful to the college with the wish that the dignity and reputation of this institution will remain the same and its continuous growth.
