- 76.9% Alumni want to contribute to the College by delivering lecture, conducting motivational session and placement related activities for the present students.
- The Alumni gave the following suggestions:
 1. Organization of extra-curricular activities
 2. Focus on Soft Skills and Certificate Courses
 3. Digital Literacy
 4. More placement activities
 5. More number of Parents – Teachers' interaction
 6. Personality Development Classes

Action Taken Report:

The above feedback was analyzed and forwarded for necessary action.

- The Alumni Association needs to reach out to more ex-students and urge them to register in the Alumni Association for better presence and work.
- The teachers need to reach to maximum students for participation in the extra-curricular activities through whats' app groups.
- The canteen was not in a formal setting while the alumni were in the College. Now the College has a well- maintained Canteen with potable drinking facility. The College also has a well-structured library. Library orientation programs will be conducted for the FY students to acquaint them with the books and the working of the library.
- From the above data, the Training and Placement Cell was informed about the lack of Placement opportunities given to the students. A report of the same is also sought from them.
- It was decided that the Alumni should be involved more in the College for imparting knowledge and for experience sharing with the present students. They can also act as External Mentors for the students.
- The Parents Teachers Association has been informed about the Feedback. They will organize more interactions of the Parents and the teachers to facilitate the learning process.
- The College has two UGC approved Career Oriented Courses of Communication Skills and Personality Development, and, E-Commerce and Web designing. Apart from that the Higher Learning Education Program, Add On Course and Certificate Courses are also conducted. More Personality Development Classes, Soft Skills Sessions and Certificate Courses are also in the pipeline.
