LEARN TO EARN

### What is Financial Literacy?

- To be financially literate is to know how to manage your money. This means learning how to pay your bills, how to borrow and save money responsibly, and how and why to invest and plan for retirement.
- Take the initiative to self-educate and grow your financial knowledge, by beginning with the basics of money management and maturing into a smart spender. Putting time into your financial development improves saving and investing decisions. By leveraging resources—like age, talent, money and the ability to establish good habits—you can build a long-lasting nest egg.

### Financial Literacy Ratio

#### Only 27% Indians are financially literate

In a country like India, we have close to 80% literacy, but when it comes to financial literacy, we are not that lucky. Last year, National Centre for Financial Education did a survey which says that only 27% of Indians are financially literate. It means that we have a long distance to travel and that puts a lot of responsibility on all the institutions including exchanges and Sbi that how fast we take the message of financial literacy across the country.

### Importance of Financial Literacy

- Ability to make better financial decisions
- Effective management of money and debt
- Greater equipped to reach financial goals
- Reduction of expenses through better regulation
- Less financial stress and anxiety
- Increase in ethical decision-making when selecting insurance, loans, investments, and using a credit card
- Effective creation of a structured budget

## Certificate Programme in Banking, Finance and Insurance (CPBFI) BATCH PERFORMANCE REPORT

### 3. Attendance Details

Course	Attendance %	Attendance Slab	% of students
Overview of Retail Banking	75.67	Below 65%	25.93
Overview of Insurance	77.00	65 – 75%	18.52

<b>Total</b>	<b>74.57</b>	<b>Total</b>	<b>100.00</b>

Attendance is driven by (1) certification eligibility criteria (CPBFI requires minimum 65% attendance), (2) training quality, which is a combination of trainer's command over subject, the pedagogy used and students' participation and (3) students' willingness and ability to attend. Non-availability of infrastructure and mandatory college events or family events have a big influence on students' ability to attend.

### 4. Performance in online Assessment Tests – Average Scores

Course Name	Scores before training	Scores after training	Improvement
Overview of Retail Banking	42.29	41.67	-0.63
Overview of Insurance	32.29	32.71	0.42

### 5. Performance in HR Workshop Interviews

	Attended	Shortlisted	Success Rate %
Participation and success	15	8	53.33

A HR Workshop is conducted at the end of every batch, wherein recruiters from Bajaj Finserv and its subsidiaries, interview candidates for specific roles in BFSI industry. The recruiters shortlist candidates based on these interviews and provide us a list of candidates that they believe have a very high chance of being selected in a job interview. This independent assessment by professional recruiters is a good 'lead' indicator of employability.

### 6. Student endorsement

Voice of students	% strongly agree
My confidence has improved (Attitude Development)	33.33

## Certificate Programme in Banking, Finance and Insurance (CPBFI) BATCH PERFORMANCE REPORT

My communication has improved (Skill Development)	50.00
My industry knowledge has improved (Knowledge Development)	83.33

Students join CPBFI with different objectives, so, it is important to seek their confirmation about improvement in their own attitude, skills and knowledge. This confirmation along with HR Workshop performance are key performance indicators of CPBFI.

### 7. Net Promoter Score (NPS)

Net Promoter Score = Promoters – Detractors	83.33
<b>Overall Rating – Good (&gt;0), Excellent (&gt;50%), Exceptional (&gt;70%)</b>	<b>Exceptional</b>

Net Promoter Score or NPS is globally regarded as a strong indicator of customer experience and loyalty. For CPBFI also NPS is regarded as an important success indicator.

AJIT SHASHIKANT PARWATE	Banking	83.33
SHAILESH DESHPANDE	Insurance	33.33
ALEKH D CHOURASIA	CAWS	66.67

## Certificate Programme in Banking, Finance and Insurance (CPBFI) BATCH PERFORMANCE REPORT

### 9. Comments from Bajaj Finserv CPBFI Team:

#### What worked well –

#### What could have been better –

- The high number of drop-out suggests that the students might have enrolled with a very different expectation from the programme or might not have enrolled voluntarily. These students lost an excellent opportunity to enhance their capabilities.
- The passing ratio of the batch could have been better. Many students have failed because of low attendance.
- Many students did not appear for the HR Workshop despite being regular in the classes. They would have learnt a lot from the experience.

---

We place on record our appreciation for the efforts put in by the coordinator Mrs.Mona Chandak, and other staff in making the batch successful. Overall, some of the students have sincerely completed the program and performed well and we are confident, every one of them has a successful career ahead!

Thank you!!
