Subject: Feed back on 3 days QIP on ICT skills for online teaching

Dear Sir,  
Thanks for the support during the QIP. Special thanks to Chandak Madam for technical support during Zoom meetings.

It was nice interacting for first time with our teachers. You must have received feedback from the participants. Following are my observation on the QIP

- On an average the attendance was stable at 17 participants.
- The participants were attentive in general but the interest of senior teachers was remarkable.
- The teachers in general are not comfortable with MS-PowerPoint and need additional inputs on the same. Even the taring on MS word would serve the purpose.
- The Zoom meeting free timings is 40 minutes and the same can serve the purpose but in long tun the institute should go for paid version
- Looking at the level of comfort of teachers on ICT, the students may also need inputs on these new tools.

Hope these pointers will help you in planning the further trainings.  
Expecting the cooperation in this regard

Regards

Dr Sujit G Metre

Feedback report on OBE Attainment workshop on 28/11/2020

- ✚ Only 13 teachers attended the workshop (List enclosed). Others also be informed on the same.
- ✚ It is observed that many of the teachers who attended were not comfortable in framing the COs and therefore peer learning should be promoted in this domain.
- ✚ University suggested scheme of marking does not support the OBE and thus creates hurdle in implementation. The scheme of internal evaluation may be suitably adjusted and communicated to teachers.
- ✚ List of Blooms action verbs should be circulated one more time for ready reference of teachers
- ✚ College need to work more on OBE domain knowledge in coming months

With Best Regards

Dr Sujit G Metre

## Feedback report on OB Assessment workshop on 22/12/2021

- ↓ Only 24 teachers attended the workshop (List included).
- ↓ It is observed that many of the teachers who attended are comfortable in framing the COs.
- ↓ The teachers understanding on POs need to improve and the college should adopt the Pos mentioned in NAAC Manual.
- ↓ Action verbs used by the teachers of English department need corrections.
- ↓ IQAC must express explicitly that the assessment is CO based and not Unit based. For this a uniform assessment format may be suggested to avoid confusion.
- ↓ It is observed that many of the teachers are not comfortable in use of MS excel required for attainment computation and thus be helped on this with the support from Computer Application department.

Let's make the OBE implementation successful @SBCity

With Best Regards

Dr Sujit G Metre
