POSTER COMPETITION

26th January 2019

GENDER EQUITY

Gender Equity means fairness of treatment for women and men, according to their respective needs. This may include equal treatment or treatment that is different but which is considered equivalent in terms of rights, benefits, obligations and opportunities. Gender Equity is the means to attain Gender Equality.

Equity is giving everyone what they need to be successful. The posters on the occasion of the 70th Republic Day can be representations of the privileges, responsibilities and chances that are made available to men and women equally. Instead of depicting women as victims, the participants should focus on empowerment of both the sexes. In the last decade, we have seen many examples of women successfully handling many male-dominated jobs like in Defense Services, Professions like Engineering, Business, Banking, Sports, Adventure and Public Services. They have been given many responsibilities in the political arena too. Similarly, men have also chosen areas which were specific to women earlier to make their career. It is time that all this gets representation in Media and prove inspirational to the Gen-next.

With this point in view, we, at Shri Binzani City College, are inviting Posters depicting Gender Equity for the Inter-Institute Poster Competition and Exhibition to be displayed in our College on the occasion of Republic Day.
