

FEEDBACK ANALYSIS (2022 – 2023)

ALUMNI FEEDBACK ANALYSIS:

The IQAC and the Alumni Association gathers Feedback from the Alumni in the Formal and Informal manner in an offline mode regarding the college administration, infrastructure and the Teaching – Learning process.

ANALYSIS:

- 37 alumni filled in the feedback form.
- 33 out of 37 stated that the curriculum of the college was useful to them at their workplace.
- Suggestions regarding curriculum like addition of latest technology and inclusion of topics according to the requirements of the industry were received from the alumni.
- **The following changes were noticed by the alumni in the college –**
 1. Clean and green campus
 2. Increase in number of girls' washroom.
 3. Addition of divyang washrooms and ramp
 4. Development of sports ground
 5. Renovation of hall - Installation of ACs in the hall
 6. Good communication between students and teachers
 7. Installation of CCTVs, Firefighting system and Solar panels.
 8. Teachers' approach has changed.
- **Alumni is ready to contribute in the following way in the development of the College:**
 1. Marketing and College publicity
 2. Interaction with students regarding their career choices
 3. For conducting seminars
 4. In sports training and guidance to sports persons
 5. Sharing of business ideas
 6. Sports training: Taekwondo training
 7. Conducting English language sessions.
 8. Counselling sessions to face life,
 9. In social work
 10. In case of any legal issues in administration
- **The following suggestions were given by the Alumni:**
 1. Cleanliness should be maintained near the front and back gates.
 2. Entrance gates should be renovated. First floor renovation since rainwater accumulates. Yoga and meditation centers for students should be created.
 3. Change in Curriculum: Current marketing education and trends, business management activities, leadership lessons, syllabus acc to industry requirements, focus on practical learning.
 4. Bus facility to divyang students, ramps for those students,
 5. Ground track for running, focus on sports development, more programs and courses, more space for other sports like kabaddi, athletics, throw ball,
 6. Job placement opportunities
 7. Guidance center for NET / SET, MH CET exam preparation classes
 8. Regular classes should be conducted, and attendance should be made compulsory,

9. New courses should be introduced.
10. Special attention to the library. The library should be made available to alumni.
11. Classrooms should be given names of experts in education and information about great people should be displayed on the front side of the rooms.
12. Interaction between Arts, Commerce and Management students and Science students should be arranged.

ACTION TAKEN REPORT:

S. No	Issue	Action Taken
01	Cleanliness in and around the College campus	The issue was reported to the concerned authorities.
02	Renovation works mentioned above	The suggestions regarding renovations in the College were placed before the CDC
03	Changes in curriculum	The issue was discussed with faculty who are members of respective BoS
04	Bus facility to Divyang students	The issue is under consideration.
05	Ramps and other infrastructure for Divyang	Ramps, Rails, Washrooms for divyang girls and boys were created
06	Sports infrastructure	The issue was discussed with Dept of Sports and Physical Education committee. The committee will take further action
07	Job placements	The Training and Placement cell was informed of the same. As a result, contacts with companies like America India Foundation, Bajaj Finserv, ICICI Foundation were established. Students are provided with opportunities for the same
08	Guidance Center for competitive exams	P V Narasimha Rao Guidance Center for competitive exams was established. A special place was designated for the center with 10 computers and a seating place for 80 students. Through Career Katta, the college students could attend online sessions conducted by IAS officers
09	Regular classes and compulsory attendance	Steps to make attendance compulsory were taken for the students. Considering the need of some of the students to pursue jobs, google classrooms for asynchronous learning were created for each course.
10	New courses should be introduced	This was conveyed to the teachers. As a result of this, 4 add-on courses along with CoC were conducted by the departments.
11	Special attention to Library	The issues mentioned by the Alumni related to the library were placed before the library. Further action is awaited.
12	Classrooms should be given names of experts	The matter is under consideration.
13	Interactions between students of all streams	Students Quality Assurance Cell was created for students to get administrative experience. IN SQAC, UG & PG students of Arts, Commerce and Management were involved. It gave them a chance to interact and work together.
