Principal Dr. Sujit G. Metre

(BE, MBA, MA (Economics), M.Com, PhD)

It gives me an immense pleasure to welcome all the students from junior, UG, PG courses and Ph.D. Scholars to our prestigious institution. Our college has been accredited 'A' by National Assessment and Accreditation Council, Bangalore.

You will feel proud to be a part of this oldest, prestigious and academically rich institute in the Vidarbha region. We try to

achieve the academic excellence by supervised study in an intellectually rich and cultured environment. The welfare of students, faculty members and support staff is the top priority of the institute and efforts are taken to create a congenial and friendly environment among all the stakeholders of the institute.

The institute aims to develop the students as the ideal and responsible citizens of India who are socially aware, morally conscious and intellectually enlightened. They will create a socially stable, environmentally sustainable, economically strong and progressive India and will contribute in creating a world with scientific vision for the great future.

Welcome to the new and ICT enabled world of learning @ SBCity College.
