## Green Campus Initiative Policy

### Title:

The policy focuses upon the green initiatives to be taken by the College for sustainable development and training of the students.

### Concept:

Shri Binzani City College enjoys a healthy bond with the flora and fauna in the Campus. It has a vast area of land dedicated to the planting and nurturing of trees. Even though the campus is in the midst of the city, the College has a lot of greenery. The policy focuses on the green campus initiatives towards conservation of nature and creation of a healthy environment for the students and teachers through continuous activities.

### Scope of the Policy:

This policy will pave way for extra-curricular practices in which students of the College would be involved to conserve nature and have a plastic-free environment in and around the College. It will also make provision for the achievement of the goals of sustainable development.

### Objectives:

1. To protect and nurture environment in and around College keeping in view the sustenance of future generation
2. To train students to create responsiveness amongst public and encourage them to keep the environment safe and clean
3. To integrate environmental concerns for social development through student activities
4. To continuously plan for energy and water conservation and reduce the amount of waste produced
5. To make the campus plastic – free
