Title: **Academic Performance Excellence in Higher Education**

Introduction:

Shri Binzani City College was established in 1930 and has a long lineage of excellence. Former Prime Minister of India, Shri P.V. Narasimha Rao, was an alumnus of the College. The College has various departments. One of which is the Post Graduate Department of Political Science established in 1936 and was granted affiliation in 1970. The Department has since then, produced many stalwarts who have contributed to the Academic wealth in and around Nagpur City. To keep up with the tradition, the College strives to give multiple inputs to its students along with the regular classroom teaching.

Practice:

Along with academic teaching, for the holistic development of the students, the Department of Political Science takes extra care and initiates Co-Curricular Activities like Guest lectures on contemporary and raging issues, a week-long Higher Learning Education Program, participation of students in Bhartiya Chhatra Sansad to develop leadership qualities amongst the students, Study Tours to places like Hemalkasa (to meet the famous couple, Dr Prakash and Dr Mandakini Amte), Lekha Mendha (to meet the legendary Social Worker Shri Devaji Tofa) and Melghat region (to meet the social workers Dr Ravindra Kolhe and Dr Smita Kolhe). The department also paid visits to Pench to interact with Shri Kishor Rithe, Founder, Satpuda Foundation, to Sewagram Ashram of Mahatma Gandhi and Pavnar Ashram of Acharya Vinoba Bhave. This experiential learning process has enriched the Students' reservoir of knowledge helping them in their performance.

The Department also encourages students to attend Parliamentary sessions (course) where they get acquainted with political personages to know more about their ideologies, issues and various political processes. The Department is also instrumental in organizing an Inter-Collegiate Debate Competition under the Versatile Debate Club of the College every year. Through these competitions, the students not only get a glimpse of the various aspects of issues but also get a chance to meet like-minded students from other Colleges. These interactions and peer-learning activities have gone a long way in developing the students.

There are quite a few merit holders and candidates who have passed NET/SET exams in these departments too.
