Madam,

**AUDIT REPORT ON THE ACCOUNTS OF POST GRADUATION CLASSES
FOR THE YEAR ENDED ON 31ST MARCH 2019**

We have completed the audit of the accounts of Post-Graduation Classes for the year ended on 31st March, 2019. The statements of account of the aforesaid unit have been already forwarded to you. During the verification of the accounts and other allied records of the aforesaid unit, we have noted certain points including shortcomings, irregularities and adjustments which are highlighted below :-

1. Provision of Fees Receivable out of Government of India (GOI) Scholarship :

The college has a practice of recovering dues from the amount of scholarships received from GOI. It has been observed that, the fees amounting to Rs.37,00,435/- (excluding the fees pertaining to F.Y.2017-18) was outstanding as on 31.03.2018. Out of which Rs.2,41,093/- pertaining to F.Y.2015-16 and Rs.14,46,257/- pertaining to F.Y.2016-17 have been recovered during the year 2018-19. The remaining fee amounting to Rs.20,13,085/- is yet to be recovered for which no details have been provided during the course of audit. The management should take steps to work out the details of the outstanding figure of Rs. 20,13,085/- by verifying the old record.

2. Surplus / Deficit of the Units :

The Non-grant Classes Account shows surplus of 32,68,034/- as against the previous year's deficit of Rs.1,41,277.25/- This surplus is mainly due to decrease in expense for Honorarium, Contingencies, increase in tuition fees & provision for the recovery of fees out of GOI scholarship for the year 2018-19. No provision was made in 2017-18 for outstanding fees.

We give below the details of increase/decrease in income & expenditure of major heads :-

Heads	Expenditure (Rs)	Heads	Income (Rs)
Honorarium	-398284	Tuition Fees	+89676
Contingencies	-117157	Fees Receivable out of GOI scholarship fees (2018-19)	+2777225

3. Heavy Balance in Savings Bank Account :

During the period under audit it has been observed that the college has kept heavy balances amounting to Rs.36,56,199.73/- as on 31.03.2019 in saving bank account (A/C. No.: 870510100007232) of Bank of Maharashtra, Hanuman Nagar, Nagpur.

In our opinion holding of such heavy balances in Savings Bank Account deprives the college of earning higher income through interest from Fixed Deposit. Funds which are not required for meeting the immediate needs may be parked in Fixed Deposit.

4. Points observed during the course of audit:

- During the course of audit it was found that, the immigration fee has been recovered only Rs.400/- during the year from the student against the payment of Rs.1000 to the university.
- Enrollment fees has been paid Rs.990/- to the university against the recovery of Rs.660/- from the students.
- Advance paid to Mr. S. S. Dhakite amounting to Rs.45,000/- was not recovered till date.
- It is seen that, there are many credit balances which are outstanding since last several years. Details are given below :-

Sr. No.	Balances	Amount Outstanding (Rs.)
1	Caution Money	74,570/-
2	EBC Concession Payable	9,782/-
	Total (Rs.)	84,352/-

The management should take appropriate decision in the matter.

**Yours faithfully,
For A.S. Dani & Co.,

3. Heavy Balance in Savings Bank Account :

During the period under audit it has been observed that the college has kept heavy balances amounting to Rs.94,72,876/- as on 31.03.2019 in saving bank account (A/C. No.: 20126709866) of Bank of Maharashtra, Hanuman Nagar, Nagpur.

In our opinion holding of such heavy balances in Savings Bank Account deprives the college of earning higher income through interest from Fixed Deposit. Funds which are not required for meeting the immediate needs may be parked in Fixed Deposit.

4. Joint Bank Account of Non-Grant Classes Account and BCA Classes Account :

The Saving Bank Account No.20126709866 in Bank of Maharashtra, Hanuman Nagar, Nagpur is housing two units namely Non-Grant Classes Account and BCA Classes Account. In our opinion there should be separate bank accounts for the respective units. The necessity of keeping the joint account has not been explained to us.

5. Points observed during the course of audit:

- During the course of audit it was found that, no immigration fee has been recovered during the year from the student against the payment of Rs.400 to the university.
- Exam fees amounting to Rs.2,420/- was wrongly debited to the enrollment fees account.
- No supporting document was found on record for the expenditure of Rs.20,000/- incurred towards function and festival.

Madam,

AUDIT REPORT ON THE ACCOUNTS OF BCCA CLASSES
FOR THE YEAR ENDED ON 31ST MARCH 2019

We have completed the audit of the accounts of BCCA classes for the year ended on 31st March, 2019. The statements of account of the aforesaid unit have been already forwarded to you. During the verification of the accounts and other allied records of the aforesaid unit, we have noted certain points including shortcomings, irregularities and adjustments which are highlighted below :-

1. Surplus / Deficit of the Unit :

The BCCA Classes account shows a surplus of Rs. 5,38,583/- as against previous year's surplus of Rs. 8,22,692/-. The main reason for decrease in surplus is due to decrease in Fees collection like tuition fees, laboratory fees due to the decrease in number of admissions during the year as compared to last year.

We give below the details of increase/decrease in income & expenditure of major heads :-

Heads	Expenditure (Rs)	Heads	Income (Rs)
Honorarium	-79699	Tuition Fees	-221298
Contingency Expenses	-70441	Laboratory Fees	-122410
		Other Fees Collection	-69239

2. Heavy Balance in Savings Bank Account :

During the period under audit it has been observed that the college has kept heavy balances amounting to Rs.30,89,771.54/- as on 31.03.2019 in saving bank account (A/C. No.: 20126709866) of Bank of Maharashtra, Hanuman Nagar, Nagpur.

In our opinion holding of such heavy balances in Savings Bank Account deprives the college of earning higher income through interest from Fixed Deposit. Funds which are not required for meeting the immediate needs may be parked in Fixed Deposit.

3. Joint Bank Account of Non-Grant Classes Account and BCCA Classes Account :

The Saving Bank Account No.20126709866 in Bank of Maharashtra, Hanuman Nagar, Nagpur is housing two units namely Non-Grant Classes Account and BCCA Classes Account. In our opinion

there should be separate bank accounts for the respective units. The necessity of keeping the joint account has not been explained to us.

4. Points observed during the course of audit:

- The advance given to Mona Chandak amounting to Rs.10,000 in the previous year has not been recovered till date.

FOR THE YEAR ENDED ON 31ST MARCH 2019

We have completed the audit of the BBA classes Account for the year ended on 31st March, 2019. The statements of account of the aforesaid unit have been already forwarded to you. During the verification of the accounts and other allied records of the aforesaid unit, we have noted certain points including shortcomings, irregularities and adjustments which are highlighted below :-

1. Surplus / Deficit of the Units :

The unit of the college have registered following surplus/deficit for the year 2018-2019 :-

The BBA Classes account shows a surplus of Rs. 9,61,957.60/- as against the previous year's surplus of Rs.4,23,474/-. The main reasons for such huge jump in surplus is due to increase in Fee collection like tuition fees, laboratory fees due to increase in number of admissions during the year.

We give below the details of increase/decrease in income & expenditure of major heads :-

Heads	Expenditure (Rs)	Heads	Income (Rs)
Contingency Expenses	+40370	Tuition Fees	+284539
		Laboratory Fees	+180620
		Other Income	+103286

2. Heavy Balance in Savings Bank Account :

During the period under audit it has been observed that the college has kept heavy balances amounting to Rs.24,01,982.60/- as on 31.03.2019 in saving bank account (A/C. No.: 20126601386) of Bank of Maharashtra, Hanuman Nagar, Nagpur.

In our opinion holding of such heavy balances in Savings Bank Account deprives the college of earning higher income through interest from Fixed Deposit. Funds which are not required for meeting the immediate needs may be parked in Fixed Deposit.

3. Points observed during the course of audit:

During the course of audit we observed following errors which need your kind attention :-

- During the course of audit it was found that, no immigration fee has been recovered during the year from the student against the payment of Rs.1,500/- to the university.
- It has seen that, the unit has many credit balances which are outstanding since last several years. Details are given as below :-

Sr. No.	Balances	Amount Outstanding (Rs.)
1	Caution Money	54,300/-
2	Convocation Fees	13,600/-
3	Fees Payable to University	2,100/-
	Total (Rs.)	70,000/-

The management should take appropriate decision in the matter.

Sir,

AUDIT REPORT ON THE ACCOUNTS OF SENIOR COLLEGE
FOR THE YEAR ENDED ON 31ST MARCH 2020

We have completed the audit of the accounts of Senior College for the year ended on 31st March, 2020. The statements of account of the aforesaid unit have been already forwarded to you. During the verification of the accounts and other allied records of the aforesaid six units, we have noted certain points including shortcomings, irregularities and adjustments which are highlighted below :-

1. Provision of Fees Receivable out of Government of India (GOI) Scholarship:

The college has a practice of recovering dues from the amount of scholarships received from GOI. It has been observed that, the fees amounting to Rs.8, 10,000/- (excluding the fees pertaining to F.Y.2017-18) was outstanding as on 31.03.2019. Out of which Rs.4, 88,676/- pertaining to F.Y.2018-19 and Rs.1,23,695.50/- pertaining to F.Y.2019-20 have been recovered during the year 2019-20. The remaining fee amounting to Rs.3,21,324/- (excluding fees pertaining to F.Y. 2019-20) is yet to be recovered out of which Rs.57,284/- was pertaining to F.Y. 2018-19 and for balance amount of Rs.2,64,040/- no details have been provided during the course of audit. The management should take steps to work out the details of the outstanding figure of Rs.2, 64,040/- by verifying the old record.

2. Unpaid Scholarship Fees:

The college has a practice of crediting the fees recovered from Government of India (GOI) on behalf of all the units of college (Non-Grant, Post-Graduation, Junior College and Senior College) to Unpaid Scholarship Fees Account from which the fee is distributed to the respective units of college. It has been observed that, the unpaid scholarship fees amounting to Rs.79,41,758.63/- was outstanding as on 31.03.2019. During the year fees amounting to Rs.1,12,07,006.88/- have been recovered and the fees amounting to Rs.1,27,09,750.50/- have been distributed to the respective units of college. The remaining fees amounting to Rs.58,26,643.51/- is yet to be distributed and for which no details have been provided during the course of audit. The management should take steps to work out the details of the outstanding figure of Rs.58,26,643.51/- by verifying the old record.

02

3. Surplus / Deficit of the Units:

The Senior College shows a surplus of Rs. 11,53,145.97/- as against the previous year's Surplus of Rs. 10,02,939.01/-. This surplus is arising mainly due to increase in income from fees and fines, other income, increase in a provision for fees receivable out of GOI scholarship for the year 2019-20 and decrease in expenses of repairs & maintenance, water charges, gymkhana and sports, extra curricular activities.

We give below the details of increase/decrease in income & expenditure of major heads :-

Heads	Expenditure (Rs)	Heads	Income (Rs)
Repairs & Maintenance	-36204	Fees & Fines	+87623
Water Charges	-38261.26	Fees Receivable out of GOI scholarship fees (2019-20)	+168640
gymkhana and sports	-6266	Other Income	+92175
Extra-curricular activities	-18802	Reimbursement of NAAC expenditure incurred in F.Y.2017-18	+60207

4. Heavy Balance in Savings Bank Account :

During the period under audit it has been observed that the college has kept heavy balances amounting to Rs.34,395,63.60/-(A/C. No.: 20126668035) as on 31st March 2020 in saving bank account of Bank of Maharashtra, Hanuman Nagar, Nagpur

In our opinion holding of such heavy balances in Savings Bank Account deprives the college of earning higher income through interest from Fixed Deposit. Funds which are not required for meeting the immediate needs may be parked in Fixed Deposit.

5. Points observed during the course of audit:

During the course of audit we observed following errors which need your kind attention :-

1. SENIOR COLLEGE UNIT :

- The security deposit collected amounting to Rs.5,000/- was wrongly credited to miscellaneous receipt account.
- Function & festival expenses amounting to Rs.2,098/- was wrongly debited to miscellaneous expense account.
- Excess amount of Rs.20,000/- and Rs.200/- had been recovered by mistake towards the Provident Fund and Professional Tax respectively from Mr.Dingalwar. Management should take appropriate step to refund the same to Mr.Dingalwar.
- There are total 46 students in psychology department out of which only one student has paid the psychology lab deposit fee. Management should take the necessary step to recover the fees from remaining students.

03

- Following fees has been paid in excess to university against the recovery made :

Sr.No.	Particulars	Fees Recovered (Rs.)	Fees Paid to University (Rs.)	Excess Fees Paid to University (Rs.)
1.	University Examination Fees & Expenses	3,59,315/-	3,60,292/-	977/-
2.	University Degree Fees	35,935/-	37,140/-	1205/-
3.	NSS Registration Fees	150/-	6,340/-	6,190/-
	Total	3,95,400/-	4,03,772/-	4,364/-

- It is seen that, the unit has following credit balances which are outstanding since many years. Details are given as below :-

Sr. No.	Balances	Amount Outstanding (Rs.)
1	Caution Money	130,140/-
2	Salary Payable	10,917/-
3	Primary Teacher Concession Payable	1,123/-
4	School Teacher Concession Payable	2,623/-
5	Other Dues (P.F.)	6,000/-
6	Salary Payable to Contributory Teacher	81,137/-
7	GPF Dues Payable	700/-
8	Other Deposits	69,539/-
9	Insurance Premium Payable	238/-
	Total (Rs.)	3,02,417/-

The management should take appropriate decision in the matter.

Sir,

AUDIT REPORT ON THE ACCOUNTS OF POST GRADUATION CLASSES
FOR THE YEAR ENDED ON 31ST MARCH 2020

We have completed the audit of the accounts of Post-Graduation Classes for the year ended on 31st March, 2020. The statements of account of the aforesaid unit have been already forwarded to you. During the verification of the accounts and other allied records of the aforesaid unit, we have noted certain points including shortcomings, irregularities and adjustments which are highlighted below :-

1. Provision of Fees Receivable out of Government of India (GOI) Scholarship :

The college has a practice of recovering dues from the amount of scholarships received from GOI. It has been observed that, the fees amounting to Rs.47,90,310/- (excluding the fees pertaining to F.Y.2017-18) was outstanding as on 31.03.2019. Out of which Rs.8,39,692/- pertaining to F.Y.2015-16, Rs.6,86,341/- pertaining to F.Y.2016-17 and Rs.25,19,991.50/- pertaining to F.Y.2018-19 have been recovered during the year 2019-20. The remaining fee amounting to Rs.7,44,285.5/- is yet to be recovered out of which Rs.2,57,233.5/- was pertaining to F.Y. 2018-19 and for balance amount of scholarship Rs.4,87,052/- no details have been provided during the course of audit. The management should take steps to work out the details of the outstanding figure of Rs. 4,87,052/- by verifying the old record.

2. Surplus / Deficit of the Units :

The Post Graduation Classes Account shows surplus of 35,86,528.32/- as against the previous year's surplus of Rs.32,68,034/-. This surplus is mainly due to increase in interest from bank due to the recovery of fees out of GOI scholarship for the year 2017-18 for which no provision was made in year 2017-18 for outstanding fees.

We give below the details of increase/decrease in income & expenditure of major heads :-

Heads	Expenditure (Rs)	Heads	Income (Rs)
Honorarium	+80284	Fees collection	-164397
Contingencies	+269380.68	Fees Receivable out of GOI scholarship fees (2019-20)	-418232
		Fees Recovered out of GOI scholarship fees (2017-18)	+888380
		Interest from Bank	+359246

3. **Heavy Balance in Savings Bank Account :**

During the period under audit it has been observed that the college has kept heavy balances amounting to Rs. 96,47,475.05/- as on 31.03.2020 in saving bank account (A/C. No.: 870510100007232) of Bank of Maharashtra, Hanuman Nagar, Nagpur.

In our opinion holding of such heavy balances in Savings Bank Account deprives the college of earning higher income through interest from Fixed Deposit. Funds which are not required for meeting the immediate needs may be parked in Fixed Deposit.

4. **Points observed during the course of audit:**

- Following fees have been paid in excess to university against the recovery made :

Sr.No.	Particulars	Fees Recovered (Rs.)	Fees Paid to University (Rs.)	Excess Fees Paid to University (Rs.)
1.	University Examination Fees	3,95,087/-	3,95,626/-	539/-
2.	University Degree Fees	33,040/-	33,380/-	340/-
3.	NSS Registration Fees	140/-	3,880/-	3,740/-
4.	Project Fees	416/-	24,544/-	24,128/-
	Total	4,28,683/-	4,57,430/-	28,747/-

- It is seen that, there are many credit balances which are outstanding since last several years. Details are given below :-

Sr. No.	Balances	Amount Outstanding (Rs.)
1	Caution Money	74,570/-
2	EBC Concession Payable	9,782/-
	Total (Rs.)	84,352/-

The management should take appropriate decision in the matter.

AUDIT REPORT ON THE ACCOUNTS OF NON-GRANT CLASSES
FOR THE YEAR ENDED ON 31ST MARCH 2020

We have completed the audit of the accounts of Non-Grant Classes for the year ended on 31st March, 2020. The statements of account of the aforesaid unit have been already forwarded to you. During the verification of the accounts and other allied records of the aforesaid unit, we have noted certain points including shortcomings, irregularities and adjustments which are highlighted below :-

1. Provision of Fees Receivable out of Government of India (GOI) Scholarship :

The college has a practice of recovering dues from the amount of scholarships received from GOI. It has been observed that, the fees amounting to Rs.46,69,960/- (excluding the fees pertaining to F.Y.2017-18) was outstanding as on 31.03.2019. Out of which Rs.28,78,884/- pertaining to F.Y.2018-19 and Rs.8,91,896/- pertaining to F.Y.2019-20 have been recovered during the year 2019-20. The remaining fee amounting to Rs.17,91,076/- is yet to be recovered of which scholarship fees amounting to Rs.1,66,600/- was pertaining F.Y.2018-19 and for balance amount of scholarship Rs.16,24,476/- no details have been provided during the course of audit. The management should take steps to work out the details of the outstanding figure of Rs. 16,24,476/- by verifying the old record.

2. Surplus / Deficit of the Units :

The surplus is decreases mainly due to decrease in income from fees recovered out of GOI scholarship for the year 2017-18 & 2018-19. However it may be noted that interest from bank and sale of prospectus have registered rise against the previous year figures. On the expenditure side the expenses on audit fees and E-com. & web designing have increased.

We give below the details of increase/decrease in income & expenditure of major heads :-

Heads	Expenditure (Rs)	Heads	Income (Rs)
Audit Fees	+11800	Fees Recovered out of GOI scholarship fees (2017-18)	-1987658
E-com. & web designing	+33400	Fees Receivable out of GOI scholarship fees (2018-19)	-249662
		Interest from Bank	+284812
		Sale of Prospectus	+139500

3. Heavy Balance in Savings Bank Account :

During the period under audit it has been observed that the college has kept heavy balances amounting to Rs. 1,42,20,447.72/- as on 31.03.2020 in saving bank account (A/C. No.: 20126709866) of Bank of Maharashtra, Hanuman Nagar, Nagpur.

In our opinion holding of such heavy balances in Savings Bank Account deprives the college of earning higher income through interest from Fixed Deposit. Funds which are not required for meeting the immediate needs may be parked in Fixed Deposit.

4. Joint Bank Account of Non-Grant Classes Account and BCA Classes Account :

The Saving Bank Account No.20126709866 in Bank of Maharashtra, Hanuman Nagar, Nagpur is housing two units namely Non-Grant Classes Account and BCA Classes Account. In our opinion there should be separate bank accounts for the respective units. The necessity of keeping the joint account has not been explained to us.

5. Points observed during the course of audit:

- Professional charges paid for verification of electricity bills amounting to Rs.21,543/- on 07.03.2020 was wrongly debited to electricity charges account.
- Purchase of fan amounting to Rs.1,400/- on 18.02.2020 was wrongly debited to repairs to electricity account.
- No entry was found on the record for the expenditure incurred towards refreshment amounting to Rs.1,210/- vide bill dated 17.01.2020.
- Degree fees amounting to Rs.41,580/- has been paid to the university against the recovery of Rs.38,860/- from the students.
- Immigration fees amounting to Rs.600/- has been paid to the university against the recovery of Rs.400/- from the students.

Sir,

AUDIT REPORT ON THE ACCOUNTS OF BCCA CLASSES
FOR THE YEAR ENDED ON 31ST MARCH 2020

We have completed the audit of the accounts of BCCA classes for the year ended on 31st March, 2020. The statements of account of the aforesaid unit have been already forwarded to you. During the verification of the accounts and other allied records of the aforesaid unit, we have noted certain points including shortcomings, irregularities and adjustments which are highlighted below :-

1. Surplus / Deficit of the Unit :

The BCCA Classes account shows a surplus of Rs. 4,01,180.20/- as against previous year's surplus of Rs. 5,43,928.60/-. The main reason for decrease in surplus is due to increase in contingency expenses and decrease in fees collection like tuition fees, laboratory fees due to the decrease in number of admissions during the year as compared to last year.

We give below the details of increase/decrease in income & expenditure of major heads :-

Heads	Expenditure (Rs)	Heads	Income (Rs)
Honorarium	-137435	Tuition Fees	-110024
Contingency Expenses	+139453	Laboratory Fees	-48409

2. Heavy Balance in Savings Bank Account :

During the period under audit it has been observed that the college has kept heavy balances amounting to Rs.77,77,061.84/- as on 31.03.2020 in saving bank account (A/C. No.: 20126709866) of Bank of Maharashtra, Hanuman Nagar, Nagpur.

In our opinion holding of such heavy balances in Savings Bank Account deprives the college of earning higher income through interest from Fixed Deposit. Funds which are not required for meeting the immediate needs may be parked in Fixed Deposit.

3. Joint Bank Account of Non-Grant Classes Account and BCCA Classes Account :

The Saving Bank Account No.20126709866 in Bank of Maharashtra, Hanuman Nagar, Nagpur is housing two units namely Non-Grant Classes Account and BCCA Classes Account. In our opinion there should be separate bank accounts for the respective units. The necessity of keeping the joint account has not been explained to us.

4. **Points observed during the course of audit:**

- Purchase of computer amounting to Rs.66,150/- on 06.08.2019 was wrongly debited to furniture account.
- Stationary expenses amounting to Rs.400/- on 16.12.2019 was wrongly debited to miscellaneous expense account.
- Immigration fees has been paid Rs.500/- to the university, although no recovery was made from the students.
- Degree fees has been paid Rs.7,700/- to the university against the recovery of Rs.7,080/- from the students.

Sir,

AUDIT REPORT ON THE ACCOUNTS OF BBA CLASSES
FOR THE YEAR ENDED ON 31ST MARCH 2020

We have completed the audit of the BBA classes Account for the year ended on 31st March, 2020. The statements of account of the aforesaid unit have been already forwarded to you. During the verification of the accounts and other allied records of the aforesaid unit, we have noted certain points including shortcomings, irregularities and adjustments which are highlighted below:-

1. Surplus / Deficit of the Units :

The unit of the college has registered following surplus for the year 2019-2020 :-

The BBA Classes account shows a surplus of Rs. 10,71,715.44/- as against the previous year's surplus of Rs.9,61,957.60/-. The main reasons for surplus is due to decrease in expenses of honorarium, contingencies, increase in income from interest on fixed deposit.

We give below the details of increase/decrease in income & expenditure of major heads :-

Heads	Expenditure (Rs)	Heads	Income (Rs)
Contingency Expenses	-38243.93	Tuition Fees	-312474
Honorarium	-114942	Interest on Fixed Deposit	+194122

2. Heavy Balance in Savings Bank Account :

During the period under audit it has been observed that the college has kept heavy balances amounting to Rs. 33,13,979.04/- as on 31.03.2020 in saving bank account (A/C. No.: 20126601386) of Bank of Maharashtra, Hanuman Nagar, Nagpur.

In our opinion holding of such heavy balances in Savings Bank Account deprives the college of earning higher income through interest from Fixed Deposit. Funds which are not required for meeting the immediate needs may be parked in Fixed Deposit.

Sir,

**AUDIT REPORT ON THE ACCOUNTS OF SENIOR COLLEGE
FOR THE YEAR ENDED ON 31ST MARCH 2021**

We have completed the audit of the accounts of Senior College for the year ended on 31st March, 2021. The statements of account of the aforesaid unit have been already forwarded to you. During the verification of the accounts and other allied records of the aforesaid six units, we have noted certain points including shortcomings, irregularities and adjustments which are highlighted below :-

1. Provision of Fees Receivable out of Government of India (GOI) Scholarship:

The college has been regularly recovering the dues relating to the fees from the amount of scholarship received from GOI. This practice allows the college to recover the arrears of fees as and when the GOI scholarship of the students is received. The fees receivable of GOI scholarship as on 01.04.2020 was Rs.7,05,028.50/-. During the year the fees receivable out of GOI scholarship amounting to Rs. 2,13,000/- has been added to this account. It may please be noted that this figure pertains to only tuition fees.

During the year under audit, no fee could be recovered under this head due to delayed receipt of GOI scholarship. The balance as at 31.03.2021 stands at Rs.9,18,028.50/-

2. Unpaid GOI Scholarship :

It has been observed that, the unpaid scholarship (GOI) amounting to Rs.58,26,643.51/- was outstanding as on 31.03.2020. During the year GOI scholarship received amounts to Rs.43,30,770.50/- and Rs.94,698/- has been distributed to the students. The balance outstanding as on 31.03.2021 is Rs.1,00,62,716.01/-. The college receives the scholarship for the students of all units and the college regularly follows the practice of crediting the fees recovered out of GOI scholarship on behalf of all the units of the college (Non-Grant, Post-Graduation, Junior College and Senior College). The recovery of fees is transferred to the respective units every year.

However, during the year under audit, the recovery of fees out of GOI scholarship could not be carried out due to COVID-19 lockdown.

3. Surplus / Deficit of the Units:

The Senior College shows a deficit of Rs. 18,74,308.95- as against the previous year's Surplus of Rs. 11,53,145.97/-. This deficit is arising mainly due to "assessment recovery" payable of Rs.34,91,739/- to Government on account of Salary Grant Assessment from 2011 to 2020.

Further, there is substantial reduction in the fees recoverable out of GOI scholarship for year 2020-21. We have also observed significant rise in expenses relating to repairs and maintenance.

We give below the details of increase/decrease in income & expenditure of major heads :-

Heads	Expenditure (Rs)	Heads	Income (Rs)
Repairs & Maintenance	+1,72,657.27	Fees & Fines	+1,74,732
Gymkhana and Sports	-94,227	Fees Receivable out of GOI scholarship fees (2020-21)	-2,94,400
		Other Income	-3,88,826

4. Heavy Balance in Savings Bank Account :

During the period under audit it has been observed that the college has kept heavy balances amounting to Rs.14,88,164.24/-(A/C. No.: 20126668035) as on 31st March 2021 in saving bank account of Bank of Maharashtra, Hanuman Nagar, Nagpur

In our opinion holding of such heavy balances in Savings Bank Account deprives the college of earning higher income through interest from Fixed Deposit. Funds which are not required for meeting the immediate needs may be parked in Fixed Deposit.

5. Points observed during the course of audit:

During the course of audit we observed following errors which need your kind attention :-

SENIOR COLLEGE UNIT :

- University enrollment fees to be paid to University was not paid within the stipulated time amounting to Rs.22,000/- and still appears payable as on 31.03.2021. We have not received a satisfactory answer for the delay.
- It is suggested that each and every entry in the ledger should contain specific and accurate narration in respect of such entry.
- Tuition fees pertaining to F.Y. 2020-21 Rs.1,17,024 /- was deposited in Bank of Maharashtra Salary Account No.20126668024.

03

- It is seen that, the unit has following credit balances which are outstanding since many years. Details are given as below :-

Sr. No.	Balances	Amount Outstanding (Rs.)
1	Salary Payable	10,917/-
2	Primary Teacher Concession Payable	1,123/-
3	School Teacher Concession Payable	2,623/-
4	Other Dues (P.F.)	6,000/-
5	GPF Dues Receivable	700/-
6	Other Deposits	69,539/-
7	Insurance Premium Payable	238/-
8	Minor Research Project	28,642/-
	Total (Rs.)	1,19,782/-

The management should take appropriate decision in the matter.

Sir,

AUDIT REPORT ON THE ACCOUNTS OF POST GRADUATION CLASSES
FOR THE YEAR ENDED ON 31ST MARCH 2021

We have completed the audit of the accounts of Post-Graduation Classes for the year ended on 31st March, 2021. The statements of account of the aforesaid unit have been already forwarded to you. During the verification of the accounts and other allied records of the aforesaid unit, we have noted certain points including shortcomings, irregularities and adjustments which are highlighted below :-

1. Provision of Fees Receivable out of Government of India (GOI) Scholarship :

The college has been regularly recovering the dues relating to the fees from the amount of scholarship received from GOI. This practice allows the college to recover the arrears of fees as and when the GOI scholarship of the students is received. The fees receivable of GOI scholarship as on 01.04.2020 was Rs.24,06,739/-. During the year the fees receivable out of GOI scholarship amounting to Rs. 19,80,662/- has been added to this account. It may please be noted that this figure pertains to only tuition fees.

During the year under audit, no fee could be recovered under this head due to delayed receipt of GOI scholarship. The balance as at 31.03.2021 stands at Rs.43,87,401/-

2. Surplus / Deficit of the Units :

The Post Graduation Classes Account shows surplus of 29,37,718.68/- as against the previous year's surplus of Rs. 35,86,528.32/-. This reduction in surplus is mainly due to substantial decrease in Fees Recoverable out of GOI Scholarship for the year 2020-21 as compared to that of previous year, also slight dip in Interest from Bank as well.

We give below the details of increase/decrease in income & expenditure of major heads :-

Heads	Expenditure (Rs)	Heads	Income (Rs)
Honorarium	-93,800	Fees collection	+6,17,667/-
Contingencies	-17,597.16	Fees Receivable out of GOI scholarship fees (2020-21)	-12,66,711/-
		Interest from Bank	-2,23,753
		Miscellaneous Receipts	+1,06,230

3. **Heavy Balance in Savings Bank Account :**

During the period under audit it has been observed that the college has kept heavy balances amounting to Rs.58,30,369.91 /- as on 31.03.2021 in saving bank account (A/C. No.: 60372930979) of Bank of Maharashtra, Hanuman Nagar, Nagpur.

In our opinion holding of such heavy balances in Savings Bank Account deprives the college of earning higher income through interest from Fixed Deposit. Funds which are not required for meeting the immediate needs may be parked in Fixed Deposit.

4. **Points observed during the course of audit:**

- It is seen that, there are many credit balances which are outstanding since last several years. Details are given below :-

Sr. No.	Balances	Amount Outstanding (Rs.)
1	Caution Money	74,570/-
2	EBC Concession Payable	9,782/-
	Total (Rs.)	84,352/-

The management should take appropriate decision in the matter.

5. **Non-Deduction of TDS:**

It may be noted, that the College has not deducted TDS on the payment of Rs. 85,000/- made for sanitisation of Sports Department which is booked under Repairs and Maintenance.

AUDIT REPORT ON THE ACCOUNTS OF NON-GRANT CLASSES
FOR THE YEAR ENDED ON 31ST MARCH 2021

We have completed the audit of the accounts of Non-Grant Classes for the year ended on 31st March, 2021. The statements of account of the aforesaid unit have been already forwarded to you. During the verification of the accounts and other allied records of the aforesaid unit, we have noted certain points including shortcomings, irregularities and adjustments which are highlighted below :-

1. Provision of Fees Receivable out of Government of India (GOI) Scholarship :

The college has been regularly recovering the dues relating to the fees from the amount of scholarship received from GOI. This practice allows the college to recover the arrears of fees as and when the GOI scholarship of the students is received. The fees receivable of GOI scholarship as on 01.04.2020 was Rs.36,95,002/-. During the year the fees receivable out of GOI scholarship amounting to Rs. 18,60,672/- has been added to this account. It may please be noted that this figure pertains to only tuition fees.

During the year under audit, no fee could be recovered under this head due to delayed receipt of GOI scholarship. The balance as at 31.03.2021 stands at Rs.55,55,674/-

2. Surplus / Deficit of the Units :

The Non-Grant Classes Account shows a surplus of Rs. 36,82,174.32- as against the previous year's surplus of Rs. 35,06,457.72/-

This surplus has increased mainly due to increase in collection from Fees as well as Interest from Bank. It may be noted, that interest from bank has registered a substantial rise as against that of previous year due to addition of investments in Fixed Deposits. On the other hand, please note a slight decrease in expenses such as Honorarium and Contingencies.

We give below the details of increase/decrease in income & expenditure of major heads :-

Heads	Expenditure (Rs)	Heads	Income (Rs)
Honorarium	-1,79,002/-	Interest from Bank	+4,93,262/-
Contingencies	-98,083.60	Fees Collection	+1,72,646/-

3. Heavy Balance in Savings Bank Account :

During the period under audit it has been observed that the college has kept heavy balances amounting to Rs.51,47,530.08 /- as on 31.03.2021 in saving bank account (A/C. No.: 20126709866) of Bank of Maharashtra, Hanuman Nagar, Nagpur.

In our opinion holding of such heavy balances in Savings Bank Account deprives the college of earning higher income through interest from Fixed Deposit. Funds which are not required for meeting the immediate needs may be parked in Fixed Deposit.

4. Joint Bank Account of Non-Grant Classes Account and BCCA Classes Account :

We have been repeatedly reporting to separate the Saving Bank Account No. 20126709866 in Bank of Maharashtra which was previously housing two units namely Non-Grant Classes Account and BCCA Classes Account. In the light of our suggestion, the Management has taken steps to separate the Bank Account and now, the same stands separated in respect of both the Units.

5. Points observed during the course of audit:

- University enrollment fees to be paid to University was not paid within the stipulated time amounting to Rs.24,090/- and still appears payable as on 31.03.2021. We have not received a satisfactory answer for the delay.
- It is suggested that each and every entry in the ledger should contain specific and accurate narration in respect of such entry.

6. Non-Deduction of TDS:

It may be noted, that the College has not deducted TDS on the payment of Rs. 70,000/- made for electric repairs of Sports Department which is booked under Repairs & Maintenance.

Sir,

AUDIT REPORT ON THE ACCOUNTS OF BCCA CLASSES
FOR THE YEAR ENDED ON 31ST MARCH 2021

We have completed the audit of the accounts of BCCA classes for the year ended on 31st March, 2021. The statements of account of the aforesaid unit have been already forwarded to you. During the verification of the accounts and other allied records of the aforesaid unit, we have noted certain points including shortcomings, irregularities and adjustments which are highlighted below :-

1. Surplus / Deficit of the Unit :

The BCCA Classes account shows a surplus of Rs. 5,493.50/- as against previous year's surplus of Rs. 4,01,180.20/-. The main reason for decrease in surplus is due to substantial decrease in income under the head 'Fees Collection', for example Tuition Fees, Laboratory Fees and Project Dissertation Fees.

Due to COVID-19 lockdown restrictions in Nagpur City, some of the fees such as College Examination Fees, Industrial Visit Fees, Internet User Fees, Parents and Teachers Association Fees etc. have not been collected during the year. Though, this year, expenditure too has seen a fall, but a prominent drop in fees collection compensates the same.

We give below the details of increase/decrease in income & expenditure of major heads and some of the fees mentioned in Fees Collection :-

Heads	Expenditure (Rs)	Heads	Income (Rs)
Honorarium	-92,906/-	Tuition Fees	-1,52,339/-
Contingency Expenses	-1,02,517.30	Laboratory Fees	-4,58,215/-
		Project Dissertation Fees	-7,523/-

2. Heavy Balance in Savings Bank Account :

During the period under audit it has been observed that the college has kept heavy balances amounting to Rs. 67,88,707.66/- as on 31.03.2021 in saving bank account (A/C. No.: 60372961009) of Bank of Maharashtra, Hanuman Nagar, Nagpur.

In our opinion holding of such heavy balances in Savings Bank Account deprives the college of earning higher income through interest from Fixed Deposit. Funds which are not required for meeting the immediate needs may be parked in Fixed Deposit.

3. Joint Bank Account of Non-Grant Classes Account and BCCA Classes Account :

We have been repeatedly reporting to separate the Saving Bank Account No. 20126709866 in Bank of Maharashtra which was previously housing two units namely Non-Grant Classes Account and BCCA Classes Account. In the light of our suggestion, the Management has taken steps to separate the Bank Account and now, the same stands separated in respect of both the Units.

Sir,

AUDIT REPORT ON THE ACCOUNTS OF BBA CLASSES
FOR THE YEAR ENDED ON 31ST MARCH 2021

We have completed the audit of the BBA classes Account for the year ended on 31st March, 2021. The statements of account of the aforesaid unit have been already forwarded to you. During the verification of the accounts and other allied records of the aforesaid unit, we have noted certain points including shortcomings, irregularities and adjustments which are highlighted below:-

1. Surplus / Deficit of the Units :

The unit of the college has registered following surplus for the year 2020-2021 :-

The BBA Classes account shows a surplus of Rs. 4,47,478.86/- as against the previous year's surplus of Rs. 10,71,715.44/-. The main reasons for the decrease in surplus is due to substantial reduction in income under the head 'Fees collected' as well as Other Income such as identity card charges and cycle stand charges. Whereas on the other hand, we may note a rise in expenses under the head 'Contingencies'.

We give below the details of increase/decrease in income & expenditure of major heads :-

Heads	Expenditure (Rs)	Heads	Income (Rs)
Contingency Expenses	+2,03,356.58/-	Fees Collected	-4,24,431/-
Honorarium	-27,789/-	Identity Card Charges	-4,031/-
		Cycle Stand Charges	-24,121/-

2. Heavy Balance in Savings Bank Account :

During the period under audit it has been observed that the college has kept heavy balances amounting to Rs. 19,73,427.90/- as on 31.03.2021 in saving bank account (A/C. No.: 20126601386) of Bank of Maharashtra, Hanuman Nagar, Nagpur. In our opinion holding of such heavy balances in Savings Bank Account deprives the college of earning higher income through interest from Fixed Deposit. Funds which are not required for meeting the immediate needs may be parked in Fixed Deposit.

3. Points observed during the course of audit:

- It has been seen that, the unit has many credit balances which are outstanding since last several years. Details are given as below :-

Sr. No.	Balances	Amount Outstanding (Rs.)
1	Caution Money	54,300/-
2	Convocation Fees	13,600/-
3	Fees Payable to University	2,100/-
	Total (Rs.)	70,000/-

The management should take appropriate decision in the matter.

4. Non- Deduction of TDS:

It may be noted, that the College has not deducted TDS on the payment of Rs. 1,28,774/- made for Security Charges to an agency which is booked under Security Charges.

To,
The Principal,

Sir,

AUDIT REPORT ON THE ACCOUNTS OF SENIOR COLLEGE
FOR THE YEAR ENDED ON 31ST MARCH 2022

We have completed the audit of the accounts of Senior College for the year ended on 31st March, 2022. The statements of account of the aforesaid unit have been already forwarded to you. During the verification of the accounts and other allied records of the aforesaid unit, we have noted certain points including shortcomings, irregularities and adjustments which are highlighted below :-

1. Provision of Fees Receivable out of Government of India (GOI) Scholarship:

The college has been regularly recovering the dues relating to the fees from the amount of scholarship received from GOI. This practice allows the college to recover the arrears of fees as and when the GOI scholarship of the students is received. The fees receivable of GOI scholarship as on 01.04.2021 was Rs. 9,18,028.50/-. During the year the fees receivable out of GOI scholarship amounting to Rs. 3,50,960/- has been added to this account. It may please be noted that this figure pertains to tuition fees of Rs. 1,82,200/-, Term Fees of Rs. 1,60,360/- and Psychology Laboratory Fee of Rs. 8,400/-.

During the year under audit, fee that has been be recovered under this head amounts to Rs 6,41,146 and this figure pertains to Term fees of Rs. 2,77,819 /- Tuition Fees of Rs.3,63,327/-. The balance as at 31.03.2022 stands at Rs.6,27,842.5/-

2. Unpaid GOI Scholarship :

It has been observed that, the unpaid scholarship (GOI) amounting to Rs. 1,00,62,716.01/- was outstanding as on 31.03.2021. During the year GOI scholarship received amounts to Rs.61,76,948/- and Rs.88,02,063/- has been distributed to the students. The balance outstanding as on 31.03.2022 is Rs.74,37,601.01/-. The college receives the scholarship for the students of all units and the college regularly follows the practice of crediting the fees recovered out of GOI scholarship on behalf of all the units of the college (Non-Grant, Post-Graduation, Junior College and Senior College). The recovery of fees is transferred to the respective units every year.

3. Surplus / Deficit of the Units:

The Senior College shows a surplus of Rs. 7,93,987.8/- as against the previous year's deficit of Rs. 18,74,308.95/-.

We have given below the details of increase/decrease in income & expenditure of major heads :-

Heads	Expenditure (Rs)	Heads	Income (Rs)
Salary	+18,93,626	Grant in Aid	+41,29,794
Repairs & Maintenance	-75,069.27	Fees & Fines	+6,15,551
Contingencies	+5,94,220.72	Other Income	+3,20,951.2

4. Heavy Balance in Savings Bank Account :

During the period under audit it has been observed that the college has kept heavy balances amounting to Rs. 22,93,167.08/- (A/C. No.: 20126668035) as on 31st March 2022 in saving bank account of Bank of Maharashtra, Hanuman Nagar, Nagpur

In our opinion holding of such heavy balances in Savings Bank Account deprives the college of earning higher income through interest from Fixed Deposit. Funds which are not required for meeting the immediate needs may be parked in Fixed Deposit.

5. Points observed during the course of audit:

During the course of audit we observed following errors which need your kind attention :-

- As per the University Circular dated 17.03.2022 an amount of Rs.37,704/- was received towards honorarium of examiners payable w.e.f. winter 2021 examination. However this amount has not been utilized for the purpose for which it was received.
- It is suggested that each and every entry in the ledger should be supported by specific and accurate narration in respect of such entry.
- During the year the college has received an amount of Rs. 1,25,048 from the university . As per the information and explanation provided to us, this amount was kept with the university by the college as reserve fund. However this deposit was never reflected in the books of account of the college.

While refunding this deposit to the college the university management clarified that they have deducted 20% of amount of deposit toward administration expenses and the balance amount of Rs, 1,25,048 was remitted to the college. As per the directive of the university this amount is to be kept in Fixed Deposit under the joint names of College Principal and Secretary (*KulSachiv*). The college has made such deposit in the financial year 2022-23.

- During the year the college has received Total Fees of Rs.18,38,575. Out of this figure, Rs.13,62,955/- pertains to financial year 2021-22 & Rs. 4,75,620 pertains to earlier years. Fees receivable from students as on 31.03.2022 for the year 2021-22 amounts to Rs.4,76,758/- for which no provision has been made in books of account of college. It has been informed to us that amount of Fees Receivable prior to 2021-22 has not been provided for in the books of account and the quantification of such receivable amount remains to be done by the college management. The college management should ascertain such fees receivable for earlier years as early as possible.
- The college has written off /back the following balances which were outstanding from a long time in the books of accounts:

Sr.No	Particulars	Debit(Rs.)	Credit(Rs.)
1	Seminar Grant Receivable	12,500.00	
2	For Foundation Courses		5,875.00
3	GPF Due From Government	700.00	
4	Human Right & Value Education		2,726.00

5	Insurance Premium Payable		238.00
6	Other Deposits		69,539.00
7	Other Dues (PF)		6,000.00
8	Rajiv Gandhi National Fellowship		20,600.00
9	Salary Payable		10,917.00
10	T.A. Refundable to Govt.		2,400.00

	Total	13,200.00	2,07,918.00
	Net Total		1,94,718.00

Necessary sanction for the above write off / back should be obtained from the College Development Committee.

- It has been observed that the following credit balances are outstanding since long in the books of accounts of the college. The details are given below :-

Sr. No.	Balances	Amount Outstanding (Rs.)
1	Primary Teacher Concession Payable	1,123/-
2	School Teacher Concession Payable	2,623/-
3	Minor Research Project	28,642/-

5	Library Deposits	1,08,851/-
6	Psychology Lab Deposits	1,224/-
	Total (Rs.)	6,35,990/-

The management should take appropriate decision in the matter.

The college has been regularly recovering the dues relating to the fees from the amount of scholarship received from GOI. This practice allows the college to recover the arrears of fees as and when the GOI scholarship of the students is received. The fees receivable of GOI scholarship as on 01.04.2021 was Rs. 43,87,401/-. During the year the fees receivable out of GOI scholarship amounting to Rs. 8,35,624/- has been added to this account. It may please be noted that this figure pertains to Tuition fees amounting to Rs.6,71,464/- and Term Fees of Rs 1,64,160/-.

During the year under audit, fees amounting to Rs.31,71,416/- has been recovered under this head. The balance as at 31.03.2022 stands at Rs.20,51,609/-

2. Surplus / Deficit of the Units :

The Post Graduation Classes Account shows surplus of 19,31,775.4/- as against the previous year's surplus of Rs. 29,37,718.68/-. This reduction in surplus is mainly due to substantial decrease in Fees for the year 2021-22 as compared to that of previous year.

We give below the details of increase/decrease in income & expenditure of major heads :-

Heads	Expenditure (Rs)	Heads	Income (Rs)
Honorarium	+1,05,633	Fees collection	-9,55,095
Contingencies	+25,340.08	Interest from Bank	+34,765
		Miscellaneous Receipts	+34,218

3. Heavy Balance in Savings Bank Account :

During the period under audit it has been observed that the college has kept heavy balances amounting to Rs.56,60,093.11 /- in saving bank account (A/C. No.: 60372930979) and

balances amounting to Rs.19,81,746.5/- in saving bank account (A/C. No.: 60372961054), Bank of Maharashtra, Hanuman Nagar, Nagpur as on 31.03.2022

In our opinion holding of such heavy balances in Savings Bank Account deprives the college of earning higher income through interest from Fixed Deposit. Funds which are not required for meeting the immediate needs may be parked in Fixed Deposit.

4. Points observed during the course of audit:

- It is seen that, there are many credit balances which are outstanding since last several years. Details are given below :-

Sr. No.	Balances	Amount Outstanding (Rs.)
1	Caution Money	74,570/-
2	EBC Concession Payable	9,782/-
	Total (Rs.)	84,352/-

The management should take appropriate decision in the matter.

- During the year the college has received Total Fees of Rs.16,35,720. Out of this figure, Rs. 12,72,917/- pertains to financial year 2021-22 & Rs.3,62,803 pertains to earlier years. Fees receivable from students as on 31.03.2022 for the year 2021-22 amounts to Rs.4,84,307/- for which no provision has been made in books of accounts of college. It has been also informed to us that amount of Fees Receivable prior to 2021-22 has also not been provided for in the books of accounts and the quantification of such receivable amount remains to be done by the college management. The college management should ascertain such fees receivable for earlier years as early as possible.

Sir,

AUDIT REPORT ON THE ACCOUNTS OF NON-GRANT CLASSES
FOR THE YEAR ENDED ON 31ST MARCH 2022

We have completed the audit of the accounts of Non-Grant Classes for the year ended on 31st March, 2022. The statements of account of the aforesaid unit have been already forwarded to you. During the verification of the accounts and other allied records of the aforesaid unit, we have noted certain points including shortcomings, irregularities and adjustments which are highlighted below :-

1. Provision of Fees Receivable out of Government of India (GOI) Scholarship :

The college has been regularly recovering the dues relating to the fees from the amount of scholarship received from GOI. This practice allows the college to recover the arrears of fees as and when the GOI scholarship of the students is received. The fees receivable of GOI scholarship as on 01.04.2021 was Rs. 55,55,674/-. During the year the fees receivable out of GOI scholarship amounting to Rs. 8,51,898/- has been added to this account. It may please be noted that this figure pertains to tuition fees amounting to Rs 6,76,008/- and Term Fees amounting to Rs.1,75,890/-.

During the year under audit, fee of Rs.32,35,665/- has been recovered under this head. The balance as at 31.03.2022 stands at Rs.31,71,917/-

2. Surplus / Deficit of the Units :-

The Non-Grant Classes Account shows a surplus of Rs.37,93,807.74/- as against the previous year's surplus of Rs. 36,82,174.32/-

This surplus has increased mainly due to increase in collection from Fees as well as Interest from Bank.

We give below the details of increase/decrease in income & expenditure of major heads :-

Heads	Expenditure (Rs)	Heads	Income (Rs)
Honorarium	+1,70,635	Interest from Bank	+6,69,641/-
Contingencies	+42,305.08	Fees Collection	-413767/-
Placement Training Programme Expenses	+50,000/-	Placement Training Programme Grant	+100,000

3. Heavy Balance in Savings Bank Account :

During the period under audit it has been observed that the college has kept heavy balances amounting to Rs53,16,426.08 /- as on 31.03.2022 in saving bank account (A/C. No.: 20126709866) of Bank of Maharashtra, Hanuman Nagar, Nagpur.

In our opinion holding of such heavy balances in Savings Bank Account deprives the college of earning higher income through interest from Fixed Deposit. Funds which are not required for meeting the immediate needs may be parked in Fixed Deposit.

4. Points observed during the course of audit:

- University exam fees to be paid to University was not paid within the stipulated time amounting to Rs.3,64,348/- and still appears payable as on 31.03.2022. We have not received a satisfactory answer for the delay.
- It is suggested that each and every entry in the ledger should contain specific and accurate narration in respect of such entry.
- It is suggested that management shall make payments of University Fees of other units of the college without routing them through Non Grant Classes Accounts to avoid unnecessary complications in the accounts of Non Grant Classes.
- It has been seen that, the unit has many credit/ debit balances which are outstanding since last several years. Details are given as below :-

Sr. No.	Balances	Amount Outstanding (Rs.)
1	Caution Money	1,33,145/- (Cr)
2	Library Deposit	2,90,015/- (Cr)
3	Advance for Other Purpose	1,13,000/- (Dr)
	Total (Rs.)	3,10,160/- (Cr)

The management should take appropriate decision in the matter.

- During the year the college has received Total Fees of Rs. 23,83,727. Out of this figure, Rs. 16,30,346/- pertains to financial year 2021-22 & Rs. 7,53,381 pertains to earlier years. Fees receivable from students as on 31.03.2022 for the year 2021-22 amounts to Rs.8,64,753/- for which no provision has been made in books of accounts of college. It has been also informed to us that amount of Fees Receivable prior to 2021-22 has also not been provided for in the books of accounts and the quantification of such receivable amount remains to be done by the college management. The college management should ascertain such fees receivable for earlier years as early as possible.

Sir,

AUDIT REPORT ON THE ACCOUNTS OF BCCA CLASSES
FOR THE YEAR ENDED ON 31ST MARCH 2022

We have completed the audit of the accounts of BCCA classes for the year ended on 31st March, 2022. The statements of account of the aforesaid unit have been already forwarded to you. During the verification of the accounts and other allied records of the aforesaid unit, we have noted certain points including shortcomings, irregularities and adjustments which are highlighted below :-

1. Surplus / Deficit of the Unit :

The BCCA Classes account shows a surplus of Rs.2,99,092.02 /- as against previous year's surplus of Rs. 5,493.50/-. The main reason for increase in surplus is due to increase in income under the head 'Fees Collection', for example Tuition Fees, Laboratory Fees and Project Dissertation Fees and Interest on Fixed Deposit of 'Other Income'

We give below the details of increase/decrease in income & expenditure of major heads and some of the fees mentioned in Fees Collection:-

Heads	Expenditure (Rs)	Heads	Income (Rs)
Honorarium	+1,26,142/-	Fees Collection	+3,78,005/-
Contingency Expenses	+49,489.48/-	Other Income	+1,18,103/-

2. Heavy Balance in Savings Bank Account :

During the period under audit it has been observed that the college has kept heavy balances amounting to Rs. 50,21,392.86/- as on 31.03.2022 in saving bank account (A/C. No.: 60372961009) of Bank of Maharashtra, Hanuman Nagar, Nagpur.

In our opinion holding of such heavy balances in Savings Bank Account deprives the college of earning higher income through interest from Fixed Deposit. Funds which are not required for meeting the immediate needs may be parked in Fixed Deposit.

3. Points observed during the course of audit:

- It has been seen that, the unit has many credit balances which are outstanding since last several years. Details are given as below :-

Sr. No.	Balances	Amount Outstanding (Rs.)
1	Cauton Money	72,585/-
2	Computer Laboratory Deposit	84,849/-

3	Library Deposit	58,775/-
	Total (Rs.)	2,16,209/-

The management should take appropriate decision in the matter.

- During the year the college has received Total Fees of Rs.11,64,056. Out of this figure, Rs. 6,48,578/- pertains to financial year 2021-22 & Rs. 5,15,478 pertains to earlier years. Fees receivable from students as on 31.03.2022 for the year 2021-22 amounts to Rs.8,70,722/- for which no provision has been made in books of accounts of college. It has been also informed to us that amount of Fees Receivable prior to 2021-22 has also not been provided for in the books of accounts and the quantification of such receivable amount remains to be done by the college management. The college management should ascertain such fees receivable for earlier years as early as possible.
