In order to do justice with the objectives of various Cells and Committees working in association with Students Welfare Department, the department conducted two meetings in the academic session 2021 - 22. The agenda was framed using the SoP. The first meeting of the Department was conducted on 8th Oct 2021. Accordingly, the Department organized Elocution Competition, Mock Parliament, Self Defense Training Program, Minority Rights Day and Inter Collegiate Essay Competition in the academic year. The Department could not send students to participate in Bhartiya ChhatraSansad which otherwise was a regular activity of the College due to Covid restrictions. Chairperson of the Committee, Principal Dr Sujit Metre, urged the members to redress the grievances of the students on priority basis.

The second meeting of the Department was conducted on 18th April 2022. The reports of the above-mentioned programs were accepted and approved to be sent to the DSW, RTMNU, Nagpur. It was noted that the Department did not receive any formal complaint from the students regarding teaching – learning, infrastructure, administration or security. It was decided that the Department would strengthen the system of reaching out to students by creating more awareness programs.

The Internal Exams Grievance Cell which runs under the Students Welfare Department held its first meeting for the session 2021-22 on 13th Aug 2021. Since the pandemic, the Cell had also started addressing the issue of the University exams. Accordingly, it was decided that the grievances of the students regarding exams should be dealt with on priority basis. The contact details of the members of the Cell and the clerks handling the exam issues were circulated through WhatsApp and were also made available in the offline mode. The Cell received many complaints from the students regarding non-submission of papers and other technical issues. The Cell took special care to expediate the matter and upload the grievances on the University portal as and when received.

The second meeting of the Cell was conducted on 30th April 2022. There were minorissues of Internal Exams related to submission of assignments and appearing for viva voce which were solved with the intervention of the subject teacher. Online mode of assessment in special cases were also permitted and the teachers were asked to keep the recordings of these assessments.
